### Explanation of Accounting Officer responsibilities

In accordance with the Government Resources and Accounts Act 2000 the Treasury has made the following Accounting Officer appointment for the Request for Resources within this Estimate.

**Request for Resources 1:**      David Green, QC

David Green, QC as the Accounting Officer of the Revenue and Customs Prosecutions Office has personal responsibility for the proper presentation of the department's resource accounts as prescribed in legislation, or by the Treasury, and their transmission to the Comptroller and Auditor General. The AO as the permanent head, remains in general overall charge of the Revenue and Customs Prosecutions Office.

The responsibilities of an Accounting Officer are set out in Annex 4.1 of Government Accounting. In essence these responsibilities include a personal responsibility for the propriety and regularity of the public finances for which they are answerable; for keeping of proper accounts; for prudent and economical administration; for the avoidance of waste and extravagance; and for the efficient and effective use of all the available resources. In addition, the Accounting Officer must ensure that there is a sound system of internal control to support the achievement of the organisation's policies, aims and objectives and should regularly review the effectiveness of that system.

### Departmental Expenditure Limits and Administration budgets

	£'000		
	Voted	Non-voted	Total
Resource DEL	37,186	-	37,186
<i>of which:*</i>			
Administration budget	18,713	-	18,713
Near-cash in RDEL	37,186	-	37,186
Capital DEL**	-	-	-
Less Depreciation†	-	-	-
Total DEL	37,186	-	37,186

\* The total of the 'Administration Budget' and 'Near-cash in Resource DEL' figures may well be greater than total resource DEL, due to the definitions overlapping.

\*\* Capital DEL includes items treated as resource in Estimates and accounts but which are treated as Capital DEL in budgets.

† Depreciation, which forms part of resource DEL, is excluded from total DEL since capital DEL includes capital spending and to include depreciation of those assets would lead to double counting.

### Comparison of provision sought with final provision for the previous year

The total net resource budget sought for 2006-07 of £37,186,000 is 0.2 per cent higher than the final net provision for 2005-06 of £37,119,000.
