1. Conditionally Approved Projects

Department	Authority	Project	Comments
DCLG	North Tyneside Council	Whitley Bay Joint Service Centre	The PRG approved £7.5 million of PFI credits subject to the following: (1) All planning approvals being granted

PRG wishes to remind projects of the following:

- (1) **All** required approvals should be in place for both the procuring authority and the sponsoring department prior to the OBC being submitted. This is clearly set out in the PRG Code of Practice; and
- (2) HM Treasury VfM guidance is applicable to all PFI projects.
