Council Implementing Regulation (EU) No 271/2011

This notification is issued in respect of the asset-freezing measures directed by the Council of the European Union against President Lukashenko and certain officials of Belarus.

1. With the publication of Council Implementing Regulation (EU) No 271/2011 of 21 March 2011 ["Regulation 271/2011"] in the Official Journal of the European Union (O.J. L76, 22.3.2011, P.13) on 22 March 2011, the Council of the European Union has amended Annexes I and IA to Council Regulation (EC) No 765/2006 ["the 2006 Regulation"], with effect from 22 March 2011.
2. Annex I to the 2006 Regulation lists President Lukashenko and certain officials of Belarus responsible for the violations of international electoral standards in the presidential elections in Belarus on 19 March 2006 and the crackdown on civil society and democratic opposition, and natural or legal persons, entities or bodies associated with them.
3. Annex IA to the 2006 Regulations lists persons, entities or bodies that have been designated by the Council as responsible for the violations of international electoral standards in the presidential elections in Belarus on 19 December 2010 and the crackdown on civil society and democratic opposition, and natural or legal persons, entities or bodies associated with them.
4. The persons listed in Annex I and Annex IA to the 2006 Regulation are subject to the freezing of funds and economic resources provisions imposed under Article 2 of the 2006 Regulation.

Amendments to Annexes I and IA to the 2006 Regulation

5. Annexes I and IA to the 2006 Regulation (most recently amended by Council Implementing Regulation (EU) No 84/2011 – see the Treasury's notice dated 2 February 2011) have been replaced by the text set out in Annexes I and II to Regulation 271/2011. The replacement text effectively adds twenty and removes two targets, and amends the identifiers of numerous persons previously listed by the Council.

6. For convenience, the Treasury's understanding of the amendments made by the Council is set out in the Annex to this notification. Institutions should refer to Regulation 271/2011 for the authoritative list of those included in Annex I and Annex IA.
7. The Consolidated List of individuals and entities subject to financial sanctions in effect in the UK, which is maintained on the Treasury website, has been updated to reflect the changes.
8. A copy of Regulation 271/2011 is available from the Financial Sanctions pages of the Treasury website at: http://www.hm-treasury.gov.uk/d/belarus_reg271.pdf

Reporting requirements

9. Relevant institutions and other persons are requested to check whether they maintain any accounts or otherwise hold any funds or economic resources for the persons in Annexes I and IA to the 2006 Regulation, and, if so, they must freeze such accounts or other funds and, unless licensed by the Treasury, refrain from making available funds and/or economic resources to such persons.
10. Relevant institutions must report their findings to the Treasury, together with any additional information that would facilitate compliance with the 2006 Regulation.
11. Where a relevant institution has already reported details of accounts, other funds or economic resources held frozen for any of the persons in Annexes I and IA, they are not required to report these details again.
